# Donation Request Form

Today's Date:	Event Date:
---------------	-------------

Your donation request is welcomed!

Lane Forest Products has grown to become a landmark business in Lane County. With success comes responsibility to the community that helped build us. We take this responsibility seriously and give back in a variety of ways. We regret we cannot say, "yes" to everyone, however I wish you all the very best and applaud your effort to help the community.

We apologize but due to the number of requests we receive each week, it takes us a couple weeks before we are able to respond. You will receive our response by mail. We wish you good luck with your project.

Susan Posner, President
