- Oct 15 Time To Lime** - Balances pH and aids Nutrient Uptake.
Apply 50 lbs. /1000 sq. ft. for ideal soil conditions..
- Nov 15 Regal Green 21-4-21** with 3% Iron and Essential Micronutrients.
Apply 6 lbs. /1000 sq. ft. for a strong healthy lawn all year.

Timing is approximate and depends on climate and soil conditions.

**** Caution, if ferrous sulfate gets wet while in contact with concrete surfaces it will leave rust stains.** To avoid this, apply to dry turf or foliage, then sweep ferrous sulfate off any concrete surfaces **before** watering in thoroughly. Keep away from pools, ponds and waterways unless you are using it intentionally for aquatic maintenance purposes. Consult package for complete instructions.
