

NURSERY BLENDS

The Company To Grow With For Over 25 Years

Lane Forest Products has established a reputation for providing the best possible products at competitive prices. What keeps our customers coming back is our commitment to *great service*.

Whether you are a small or large nursery with a variety of needs, we can help. Custom blends, consistent, quality materials, and convenient delivery makes Lane Forest Products your partner in *growing green*.

At Your Service! From bark to peat moss, pumice and fertilizer blends, **Lane Forest** can provide what you need for the perfect growing medium. We offer pre-mixed **Lane Grow** combinations or we can customize to suit your existing recipe. Whichever direction you choose, **Lane Forest** is at your service!
